

# Helisewa Portal

<https://helisewa.civilaviation.gov.in>

- ✓ An initiative of Ministry of Civil Aviation to create an ecosystem between helicopter operators and the District Authorities through an IT Platform.

# Objective

# Benefits

Entire process of Air Operators (AO) **submitting Landing request** and State District authorities subsequently **accepting/rejecting the request** is completely shifted Online

Online submission of Landing Requests by AOPs

Online permissions/approvals by the District Authorities

Helipad Directory Information

Air craft information

Air Operators information

State-District specific Helipad Directory Information which will be updated by the respective State-District authorities will enable Air Operators, to access information regarding landing availability and status of Helipad

Dynamic MIS & Reports

GIS based Dashboard System

Mobile App

Integration with other systems
